Estimation Fee: If the repair cost is higher than the Pre-approval amount specified, customer will be notified of the estimated repair cost. If customer elects not to proceed with the repair, an estimation fee of \$60 will be charged. That estimation fee can be applied as a credit towards a replacement purchase customer makes from Action Communications.

Equipment that has sustained major board damage, physical abuse, liquid damage, will be designated as not repairable. Physical and liquid damage beyond equipment specified tolerances may not be covered by manufacturer's warranty.
